**Artist reception for Kevin Cyr hosted at Drinkwater's, Cambridge on April 21, 2005**

Cambridge, MA-Drinkwater's—an upscale, men's clothing store—will host an artist reception featuring Kevin Cyr, a celebrated local artist on April 21, 2005.

"I've long been a fan of Kevin's work, his precise detail, simple clean style and philosophy is parallel to the aesthetic and design of the clothing we carry" said Gary Drinkwater "and we're happy that our store space will show his great work to its best advantage."

Kevin Cyr has developed a painting style of line work—on birch plywood—merging linear illustrative quality with traditional painting aesthetic to create a unique style.

The work featured at the April 21<sup>st</sup> opening will be from a collection of eight-inch square paintings that represent a broad range subject matter—from portraits of friends to his series of old cars painted on two panels.

Kevin's work will be on display at Drinkwater's through the end of April.

This show is the first in a continuing series of future receptions planned for Drinkwater's that will feature local sculptors and photographers as well.
